

Instigo : Eco-Friendly Pathogen Protection

About Instigo

Instigo is an eco-friendly product that helps protect against plant pathogens. Developed from naturally occurring bacteria and fungi, Instigo contains beneficial microbes that thrive in the root zone of plants to create a biological defense against root-infecting diseases. Instigo is free of harsh chemicals or fungicides and can help increase plant vigor and yield potential. It does this by helping control minor pathogens that slowly feed on and damage roots.

Use Instructions

Instigo is used in broadcast, seed treatment, or in-furrow applications. Mix 1 gallon of Instigo with a minimum of 4 gallons of water/carrier solution. This will activate the mixture. Use within 6 hours of activation. Do not use with fungicides or high-salt fertilizers.

Use Rate

Rates are for mixed and activated solutions. The in-furrow application rate is 8-16 oz per acre. The Broadcast/Drench application rate is 16-32 oz per acre. The seed coating rate is 3 oz per unit of seed.

Direction For Use: For proper soil and plant application rates suitable for your soil, water, crop and geographical location, consult a trained Genesis Ag Agronomist that may be contacted at the phone number provided.

Application Rates:
In Furrow - 16 Ounce
Foliar - 12.8-16 Ounces

Guaranteed Analysis:
Contains Non-Plant Food Ingredients
Azotobacter Vinelandii.....15% 4.00 x 10⁹/cfu/ml
Clostridium Pasteurianum.....8% 4.00 x 10⁹/cfu/ml
Lactobacillus Acidophilus.....12% 4.00 x 10⁹/cfu/ml
Total Other Ingredients.....65%

Purpose of Ingredients: To enhance nutrient uptake.

WEIGHT PER GALLON: 8.4 lbs. @ 68° F

CROPS: All crops, forage crops and vegetables.

STORAGE:
Contains living organisms. Store above 45° F and below 120° F out of direct sunlight and in a dry place. Shelf life is two (2) years. Keep container sealed tightly when not in use. Lot number and expiry date can be found on this package.

CONDITIONS OF SALES: Genesis Ag warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use conditions. Crop injury, product use ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of seller. In no case shall Genesis Ag or its distributors be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product. All such risk shall be assumed by the buyer. Genesis Ag makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above. Information about this lot of fertilizer can be obtained by writing to Genesis Ag at the address on this package.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

GHS07
WARNING: Irritant: eyes and skin.
