

MicroBoom L

genesis ™

WARNING: This product contains a chemical (or chemicals) known to the State of California to cause cancer and birth defects or other reproductive harm. This product contains Boron (B) and may be harmful to certain crops. This product also contains Molybdenum (Mo). Crops high in Molybdenum can be toxic to ruminant animals.

Stimulate Your Plants with Early Stage Micronutrients.

- Tank mixes with most chemistries
- Pre-chelated; avoids tie-up with other nutrients
- Foliar stimulant for maximum impact

Fully replicated four state trials in 2018 (NE, IA, IL, IN)

"MicroBoom has been beneficial to all our crops, not only our corn, but our soy, wheat, barley and oat crops."

– **DAVID HULA**, Renwood Farms, VA

APPLICATION RATES (PER ACRE):

- 1 Foliar: 16 oz. per acre.
